Headline

iRobot Roomba 500 Series Standard Filter replacements.

Product Description

Regular replacement of the filter every 2-3 months will maintain Roomba's cleaning performance while reducing infiltration of dust, pollen and other allergens. The filters are easy to see and access, so you can snap them on and off with minimal effort.

Compatible with Roomba 500 Series and Roomba 610 robots.

In the Box

- 3 Standard Filters
